Academics, athletics, games and co-curricular activities are at MODEL SCHOOL, ABUDHABI to increase self-esteem and mental vigilance among students. The central playground, basketball and Volley dance fields are designed and equipped to facilitate various sporting and athletic events. Education plays the most important role in professional and social skills and a positive attitude to face the challenges of life. A curriculum is that which constitutes a global learning program that includes general objectives, learning program, materials, methods and evaluation. The Model School app, Mother Abudhabi is an easy to use application that gives parents complete access to the activities of their departments at the Model School. This helps parents to monitor their academic performance, frequency, transport, circular etc. Click here is the link for the mother app. Our school is located in Musaffah. Students from different countries bring many languages, cultures and educational expectations to school. The modeling school. Abu Dhabi began to work in April 1987, as a branch of the Ni Model school, Dubai, under the presidency of Dr. M.K. Kamaluddin. The model of model. Abu Dhabi is to ... provide value-based education for all at affordable prices. Civilized new generation with 21st century skills.
